Mystic Pharmaceuticals to Present at 6th Ocular Diseases & Drug Discovery Conference

AUSTIN, TX – 5 March 2014 – [Mystic Pharmaceuticals, Inc.](http://www.mysticpharmaceuticals.com) announced today that President and CEO Timothy Sullivan will present at the 6th Ocular Diseases and Drug Discovery Conference in San Diego, California on March 20-21, 2014. This annual conference brings together thought leaders and innovators in ocular diseases, drug development and drug delivery to collaborate on the latest research and discovery for combating and curing age-related macular degeneration (AMD), diabetic retinopathy, glaucoma, uveitis and other eye diseases. Leading researchers from academia and the pharma industry including GlaxoSmithKline, Genentech, Allergan, and others will present the latest advances in ophthalmic drug discovery, development and delivery.

This year's conference will feature three panel sessions addressing "Safety and Regulatory Factors in Ocular Development" and "Business Development, Investments and Potential for Collaborations" and "Novel Technologies for Patient Adherence and Compliance". Timothy Sullivan will present on the topic of "Patient Acceptance Study Results Of A Novel Ophthalmic Delivery System" and serve as moderator for the panel session on patient adherence and compliance.

The conference will be held at the Hyatt Regency Mission Bay in San Diego, California. For additional information on this event go to <http://www.gtcbio.com>

About Mystic Pharmaceuticals, Inc.

Mystic Pharmaceuticals™ is an integrated specialty pharmaceutical company based in Austin, Texas. Mystic provides precision unit dose delivery solutions for pharmaceuticals, biopharmaceuticals and biologics for intranasal, ophthalmic, sublingual, and otic applications. Mystic combines its novel delivery systems with pharmaceuticals and biologics under development by Mystic and its partners, to meet the expanding global market demand for healthcare products that are safer, simpler to use and cost effective.
